

ANNOUNCEMENT FOR THE AWARD OF A RESEARCH FELLOWSHIP

Title: Research Fellowship; 1 vacancy

Reference: BI/2QUA-CBMA/2026

A call for applications is now open for the attribution of 1 research grant within the scope of the I&D project “2Qua - Water Quality and Quantity, the challenge for the present and future” (ref. COMPETE2030-FEDER-0691700), co-financed by European (through COMPETE2030) and national (through Fundação para a Ciência e a Tecnologia) funds, under the following conditions:

Scientific Area: Biology

Recipient category: Holders of a Master's degree in Ecology, Geography, Environmental Sciences, or related fields, and enrolled in a doctoral program or a non-academic degree course.

Requirement for granting the fellowship:

- The applicants may apply without prior registration in the course for which the fellowship is open. The requirement to enrol in a degree course or non-academic degree course will be verified on the date of contracting the fellowship;
- Only fellowships whose selected applicants present a valid proof of enrolment in a degree course or non-academic degree course will be contracted, according to the type of the fellowship, issued by a Higher Education Institution, indicating, respectively, the academic year or its duration (start and term).

Applicants' eligibility: Candidates who meet the conditions set out in Article 9 of the Research Grant Regulations, No. 950/2019, of 16-12-2019, of FCT I.P. are eligible.

Nationals or citizens of other European Union member states, third-country nationals, stateless persons, and citizens with political refugee status are eligible to apply for this competition.

Candidate eligibility requirements:

It is essential, under penalty of non-admission to the competition, to attach the following documents to the application:

- Curriculum vitae of the candidate
- Certificates of qualifications for the academic degrees obtained (bachelor's and master's) or, if applicable, a declaration of honor from the candidate confirming the completion of the required degrees by the application deadline;

- For degrees obtained abroad, the recognition record of the academic degrees must be presented, as well as the conversion record of the respective final classification to the Portuguese grading scale, or alternatively, a declaration of honor from the candidate.

Mandatory requirements for the position include holding a Master's degree (MSc), duly evidenced, and having academic training in the field of Biological Sciences, Environmental Sciences, or Geography. Preferred conditions for the position include proven experience in Geographic Information Systems (GIS) and remote sensing tools (e.g., satellite data), as well as experience in research in Spatial and Landscape Ecology.

Workplan and objectives to be achieved:

The selected candidate will carry out R&D activities within the scope of the 2Qua project, aiming to consolidate his/her scientific training. In particular, it is intended to develop and apply remote sensing methodologies and tools for the detection and modelling of habitats, as well as the extraction of indicators for water quality and quantity. The following tasks will be carried out: a) deepen existing knowledge about spectral data capable of differentiating and remotely detecting lentic habitats and the quality of water stored therein; b) calibrate and validate models or algorithms based on spectral signatures, associated with in situ validation campaigns; c) extract indicators of spectral signatures relating to surrounding land use, riparian vegetation, and the available water quantity with water quality metrics of reservoirs.

Applicable legislation and regulations: Research Fellow Statute (EBI), approved by Law n.º 40/2004 of August 18, in its current wording and FCT Research Fellowship Regulation, approved by Regulation n.º 950/2019, published in the Diário da República, 2nd series, of December 16, 2019, in its current wording, and Scientific Research Fellowship Regulation (RBIC) of the University of Minho, approved by order n.º 4998/2025, published in the Diário da República, 2nd series, n.º 81, of April 28, 2025 Amended and republished through amendment statement no. 634/2025/2, published in the Official Gazette, 2nd series, no. 132, of July 11.

Host/Contracting institution and scientific supervision: The workplan will be carried out in the Centre of Molecular and Environmental Biology (CBMA) of the School of Sciences of the University of Minho, located in the Department of Biology and Institute of Science and Innovation for Bio-Sustainability (IB-S), under the scientific supervision of the Giorgio Pace, Auxiliary Researcher at CBMA.

Fellowship duration: The grant will take place for a period of 12 months, with a provisional starting date in April 2026. The fellowship grant is non-renewable.

Amount of the research grant: The amount of the grant corresponds to 1309,64 €/month, according to the table of values of the Research scholarship of the University of Minho, updated annually, as decided by the Management Board.

Payment is made on the 23rd of each month, through bank transfer to the Bank Identification Number of the fellow identified in the contractualization process.

Other benefits: Reimbursement of Voluntary Social Insurance, if the candidate chooses to receive it, corresponding to the 1st level of discounts and personal accident insurance.

Exclusivity regime: The grantee will perform the activities under exclusivity, as foreseen in article 5° of the Research Fellow Statutes and applicable regulations.

Selection panel:

President: Bruno Branco Castro, Auxiliary Professor, Departamento de Biologia & Centro de Biologia Molecular e Ambiental (CBMA), Escola de Ciências, Universidade do Minho

Effective members: Giorgio Pace, Auxiliary Researcher, Centro de Biologia Molecular e Ambiental (CBMA), Escola de Ciências, Universidade do Minho & Sara Cristina Ferreira Marques Antunes, Associate Professor, Faculdade de Ciências da Universidade do Porto (FCUP)

Substitute members: Sara Raquel Boaventura Rodrigues, Auxiliary Researcher, Centro de Biologia Molecular e Ambiental (CBMA), Escola de Ciências, Universidade do Minho & Cláudia Maria Carvalho Santos, Auxiliary Professor, Departamento de Biologia & Centro de Biologia Molecular e Ambiental (CBMA), Escola de Ciências, Universidade do Minho

The first effective member will substitute the President of the selection panel in case of impediment, being nominate the first substitute member in the place of the first effective member.

Criteria and procedures for applications assessment and selection: The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 0 to 5 values:

Applicant Merit - AM (100%):

- a) Academic path (considering the classifications of academic degrees and previous participation in research projects), with a weighting of 40%;
- b) Personal curriculum (considering professional and scientific background, with a particular focus on the eligibility requirements above stated), with a weighting of 50%;
- c) Motivation letter, with a weighting of 10%.

The final classification of the applicant's merit with the achieved through the following formula:

$$MC=(a*0.40) +(b*0.50) +(c*0.10)$$

Note: Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection panel will assign “0” in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.

Application deadline and submission: The call for applications is open for a period of 10 working days from the date of publication on the Euraxess portal.

Applications must be submitted by email to bolsas@ecum.uminho.pt, indicating the reference number of the competition in the subject line. Only applications submitted within the established deadline and accompanied by the following documents will be accepted:

- a) Candidate's updated curriculum vitae;
- b) Certificates of the academic degrees obtained or, if applicable, the candidate's declaration of honour that he/she has completed the degrees required in the notice by the application deadline.

For degrees obtained abroad, the record of recognition of the academic degrees and record of the conversion of the respective final classification to the Portuguese classification scale must be presented, or, alternatively, a declaration of honour from the candidate.

This declaration must attest to facts that occurred prior to the application. In the event of a discrepancy between the information contained in the declaration and the documentation submitted for the purposes of contracting the scholarship, only the information contained in the latter will be considered. If it is found that the documents proving the academic degree and diploma, or their recognition under the terms of Decree-Law n. ° 66/2018, of August 16, do not correspond to the classifications awarded in the assessment of the academic career and may consequently alter the candidate's ranking, the scholarship will not be contracted;

- c) Motivation letter.

Form of publication/notification of results: The results of the evaluation are published in a single list (by final score obtained), posted in a visible and public place in the host unit, as well as by email to all candidates, attaching, for this purpose, the minutes of the jury's deliberations, within a maximum period of 90 working days from the deadline for submission of applications.

Candidates are informed, at a preliminary hearing, in accordance with Articles 121 and 122 of the Administrative Procedure Code, of the likely outcome of the final decision, and may comment within 10 working days of this notification.

An appeal may be lodged against the final decision within 15 working days, or an appeal may be lodged with the highest executive body of the funding entity within 30 days, both after the respective notification (Article 12(n°6) of the FCT Research Grant Regulations).

Within 10 working days of notification of the grant award, the applicant must declare their acceptance in writing. In case of non-acceptance, the next highest ranked applicant will be notified immediately.

Fellowship contractualization: The scholarship is awarded through the signing of a contract between the University of Minho and the scholarship recipient, in accordance with point 2.4 of the Rules for the Award and Management of Scholarships

https://www.fct.pt/wpcontent/uploads/2022/03/Normas_de_Atribuicao_de_Bolsas_2021.pdf and the draft contract in Annex II of the University of Minho's Scientific Research Scholarship Regulations.

The contract can only be signed after receipt of all the documentation required for the type of scholarship, which must occur within a maximum period of 6 months, including proof of academic degrees or diplomas, as well as enrolment in non-degree study cycles or courses, as applicable.

Once all the documentation has been received, the contracting entity has 60 working days to sign the scholarship contract. Once received by the scholarship holder, the contract must be returned, duly signed, within 15 working days.

Term and cancellation of fellowship contracts: Without prejudice to the other grounds laid down in the University of Minho's Scientific Research Scholarship Regulation and in the Research Fellow Statute, the scholarship will cease on completion of the contracted work plan, as well as on expiry of the period for which it was granted or renewed.

The **final report** must be submitted to the scientific advisor, in accordance with the defined objectives and evaluation criteria, no later than 60 working days after the end of the scholarship and must be drawn up in accordance with Annex I of the Regulations of the University of Minho.

Non-discrimination and equal access policy: Universidade do Minho actively promotes a policy of non-discrimination and equal access, so that no candidate may be privileged, benefited, harmed or deprived of any right or exempt from any duty due, namely, to ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions and trade union membership.
