### 13. Composition of the selection jury:

President: Maria Cláudia Gonçalves da Cunha Pascoal, Full Professor, Centre of Molecular and Environmental Biology, School of Sciences, University of Minho;

Effective members:

Bruno Branco Castro, Assistant Professor Centre of Molecular and Environmental Biology, School of Sciences, University of Minho;

Andreia Ferreira Castro Gomes, Associate Professor, Centre of Molecular and Environmental Biology, School of Sciences, University of Minho;

Substitute members:

Maria Teresa Correia Guedes Lino Neto, Associate Professor with Habilitation, Centre of Molecular and Environmental Biology, School of Sciences, University of Minho;

Fernanda Maria Fraga Mimoso Gouveia Cássio, Full Professor, Centre of Molecular and Environmental Biology, School of Sciences, University of Minho.

If the President of the Jury is unavailable, she shall be replaced by the first effective member. The first substitute member will replace the effective member.

The Jury, including the President, undertake the commitment to respect a set of responsibilities essential to the evaluation process, such as the duties of impartiality, of stating any potential situations of conflict of interest and confidentiality.

### 14. Evaluation and Selection Process: The evaluation of the applications will focus on the merit of the applicant (MC), by applying the following criteria on a scale of 1 (insufficient) to 5 (excellent):

#### A. Merit of the applicant (MC)

**A.1:** (40%) Academic background of the candidate (including performance in related courses and previous experience in research projects).

**A.2:** (40%) Knowledge and experience in science communication, particularly in producing content for social networks, the press, newsletters, websites or organising events.

**B.1:** (20%) Interview, which will analyse the clarity, relevance and alignment of the candidate's objectives with the theme of the project.

**Only candidates whose sum of parameters A.1 and A.2 is equal to or greater than 3.8 points will be invited to be interviewed.**

The final classification of the Candidate (CF) will be determined using the following formula:

$$MC = (A.1*0.4) + (A.2*0.4) + (B.1*0.2)$$

**The jury may also decide not to assign the Scholarship if none of candidates meets the**

**minimum required conditions (final grade above 4).** Documents proving the ownership of academic degrees and diplomas, or their respective recognition when foreign higher education institutions have awarded them may be dispensed with at the application stage, being replaced by a declaration of honour by the candidate, with the verification of this condition occurring only in phase of contracting the scholarship. This statement must attest facts that occurred on a date prior to the application. In situations of divergence between the information contained in the declaration and the documentation submitted for the purpose of contracting a grant, only the information contained in the latter will be considered. If it is verified that the documents proving the ownership of the academic degree and diploma, or the respective recognition under the terms of Decree-Law No. 66/2018, of August 16, do not correspond to the classifications awarded in the evaluation of the academic path and may, consequently, changing the candidate's ranking, the scholarship will not be contracted.

*Note: Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the jury will assign the minimum grade in the grade of the degree and/or master's course, according to the defined scale of values. of a higher education institution, in the area or area related to that requested in notice.*

**15. Communication of results:** The evaluation results project, based in the selection panel minutes, will be send to the applicants by email, in accordance with article 13 of UMinho's RBIC. If case of unfavourable results, the candidates have a period of 10 working days to comment, if desired, in a prior hearing to interested parties, pursuant to articles 121 and 122 of the Code of Administrative Procedure (DL n° 4 / 2015 of January 7th).

**16. Complaint and appeal procedures:** The final results of the evaluation will be publicized through an ordered list (alphabetically, by final grade obtained), by email to all candidates, attaching, for that purpose, the minutes with the deliberations of the jury. The selected candidate must state in writing their intention to accept the scholarship. In case of non-acceptance, the scholarship will be awarded to the next candidate in order of final ranking, provided the final grade remains above 3. A complaint may be filed against the final decision, within 15 working days, addressed to the President of the Jury. Interested parties may also present an optional hierarchical appeal, addressed to the Vice-Rector for Scientific Projects and Research Management, Professor Dr. Sandra Paiva.

**17. Deadline for application and form of submission of applications:**

The application is open from 6 -25 August 2025

Applications must be formalized, obligatorily, through the following documents: i) Detailed curriculum vitae (pdf form), including the telephone and email contacts of the candidate; ii) official academic degrees certificates or declaration of the candidate; iii) Detailed list of grades (pdf format); iv) Motivation letter explaining the interest in the position (pdf format).

All documents must be submitted in PDF format.

Applications must be sent by email to **bolsas@ecum.uminho.pt**, indicating the reference of the competition BI3/ CBMA-COMUNICAÇÃO /2025 in the subject line. Applications sent through other means will not be accepted.

**18. Fellowship contractualization:**

The fellowship will be attributed by signing a fellowship contract between the University of Minho and the fellow, accordingly with the contract minute (annex IV of the Regulation of Research Fellowships of the University of Minho (RBIC), published in Diário da República, 2nd Série, n° 119, through dispatch n° 6524/2020 of 22-06-2020, ratified by ratification declaration n° 447/2021 of 22-06-2021, as indicated in 2.4 of the FCT document: "[Rules for Granting and Management of Grants within the scope of R&D projects, including infrastructure projects, the multi-annual financing program for R&D units and other FCT financing instruments \(Version 2021\)](#)".

The contract may only be concluded after all the documentation required is collected, which must take place within a maximum period of 6 months.

Once all the documentation has been received, the contracting entity has a period of 15 working days to conclude the scholarship contract, UMinho's RBIC, under the terms of n°2 of Article 15°. Once received, the fellow must return the contract duly signed within 15 working days. The activities under the fellowship contract can only begin after proper authorization by the contracting entity.

**19. Term and cancellation of fellowship contracts:**

Without prejudice to the other causes provided the fellowship regulations (FCT and UMinho) and in the Statute of the Research Fellow, the fellowship ends with the completion of the work plan, as well as with the expiration date for which it was granted or renewed.

At the end of the fellowship, the grantee is obliged to present a Final Report of the work carried out, in accordance with the objectives and evaluation criteria defined with the scientific advisor, within 30 days after the end of the scholarship.

The final report must be prepared in accordance with Annex I of the Scientific Research Fellowships Regulation of the University of Minho (RBIC), published in Diário da República, 2nd Série, n° 119, through dispatch n° 6524/2020 of 22-06-2020, ratified by ratification declaration n° 447/2021 of 22-06-2021.
