Reference: 36/ECUM/CMAT/2026 - HipMoS4C

A call for applications is now open for the attribution of one grant of Research Fellowship for Bachelor's Degree within the scope of the I&D project **HipMoS4C: High-Performance Modelling and Simulations for companies**, at the University of Coimbra in partnership with the University of Minho (2023.16854.ICDT), funded by national funds through FCT, I.P., under the following conditions

Scientific Area: Physics, Physics Engineering, Materials Engineering and related areas

Recipient category: Bachelor's degree holders (*"Licenciados"*), enrolled in an integrated master's or master's degree in the scientific fields of Physical Sciences, Physical Engineering, Materials Engineering, and related areas.

Requirement for granting the fellowship:

- The applicants may apply without prior registration in the course for which the fellowship is open. The requirement to enroll in a degree course will be verified on the date of contracting the fellowship;
- Only fellowships whose selected applicants present a valid proof of enrollment in a degree course will be contracted, according to the type of the fellowship, issued by a Higher Education Institution, indicating, respectively, the academic year or its duration (start and term).

Applicants' eligibility: Candidates who meet the conditions set out in Article 9 of the Research Grant Regulations, No. 950/2019, of 16-12-2019, of FCT I.P. are eligible.

Nationals or citizens of other European Union member states, third-country nationals, stateless persons, and citizens with political refugee status are eligible to apply for this competition.

Candidate eligibility requirements:

- **Mandatory Requirements:** Bachelor's degree in Physical Science, Physical Engineering, Materials Engineering, or related fields, with experience in computational simulations and/or battery manufacturing processes; eventual research experience.
- **Academic Qualifications:** Proof of academic qualifications must be completed by the application deadline.
- **Preferential Factors:** Experience in physical modeling.

Workplan and objectives to be achieved:

The fellow will develop activities within the scope of macroscopic modeling of battery operation and compare them with experimental results.

Applicable legislation and regulations: Research Fellow Statute (EBI), approved by Law nº. 40/2004 of August 18, in its current wording and FCT Research Fellowship Regulation, approved by Regulation nº 950/2019, published in the Diário da República, 2nd series, of December 16, 2019, in its current wording, and Scientific Research Fellowship Regulation (RBIC) of the University of Minho, approved by order nº 4998/2025, published in the Diário da República, 2nd series, nº 81, of April 28, 2025 Amended and republished through amendment statement no. 634/2025/2, published in the Official Gazette, 2nd series, no. 132, of July 11.

Host/Contracting institution and scientific supervision: The workplan will be carried out in the Physics Center of School of Sciences of University of Minho, in Gualtar *Campus*, Braga, under the scientific supervision of António Mário Lourenço da Fonseca Almeida, Assistant Professor from Physics Department, School of Sciences of University of Minho and Carlos Miguel Silva Costa, Assistant Professor from Physics Department, School of Sciences of University of Minho under the coordination of António Joaquim Onofre Abreu Ribeiro Gonçalves, Director of Physics Center, School of Sciences of University of Minho.

Fellowship duration: The grant will take place for a period of 8 months, with a provisional starting date on the November of 2026. The fellowship grant is non-renewable.

Amount of the research grant: The amount of the grant corresponds to 1090,98 €/month, according to the table of values of the Research scholarship of the University of Minho, updated annually, as decided by the Management Board.

Payment is made on the 23rd of each month, through bank transfer to the Bank Identification Number of the fellow identified in the contratualization process.

Other benefits: Reimbursement of Voluntary Social Insurance, if the candidate chooses to receive it, corresponding to the 1st level of discounts (for research grants with a total duration 6 months or higher) and personal accident insurance.

Exclusivity regime: The grantee will perform the activities under exclusivity, as foreseen in article 5º of the Research Fellow Statutes and applicable regulations.

Selection panel:

President of the selection panel:
Carlos Miguel Silva Costa, Assistant Professor from Physics Department, School of Sciences of University of Minho.
Effective members:

António Mário Lourenço da Fonseca Almeida, Assistant Professor from Physics Department, School of Sciences of University of Minho.

Maria Teresa Mesquita da Cunha Machado Malheiro, Associate Professor from Mathematics Department, School of Sciences of University of Minho.

Alternate Members:

Armando José Barros Ferreira, Assistant Professor from Physics Department, School of Sciences of University of Minho.

Mário Rui Cunha Pereira, Assistant Professor from Physics Department, School of Sciences of University of Minho.

The first effective member will substitute the President of the selection panel in case of impediment, being nominate the first substitute member in the place of the first effective member.

Criteria and procedures for applications assessment and selection: The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 0 to 5 values:

Candidate's merit – MC (100%):

a) Academic record (reflecting academic qualifications), weighted at 30%;

b) Personal CV (reflecting academic and professional background), weighted at 50%;

c)Letter of motivation, with a weighting of 20%.

The final classification of the applicant's merit will be achieved through the following formula:

$$MC=(a*0,3) +(b*0,5) +(c*0,2)$$

The selection panel may decide not to award the scholarship if none of the candidates achieves a final grade higher than 3.5.

Note: Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the next point. Candidates who do not provide their grades on the Portuguese grading scale, the selection panel will assign "0" in the grade of the graduation. Candidates will be evaluated on the remaining parameters.

Application deadline and submission: The call for applications is open for a period of 10 working days from the date of publication on the Euraxess portal.

Applications must be submitted by email to bolsas@ecum.uminho.pt, indicating the reference number of the competition in the subject line, **36/ECUM/CMAT/2026 - HipMoS4C**. Only applications submitted within the established deadline and accompanied by the following documents will be accepted:

a) Candidate's updated curriculum vitae;

b) Certificates of the academic degrees obtained or, if applicable, the candidate's declaration of honor that he/she has completed the degrees required in the notice by the application deadline (not applicable to research initiation grants).

For degrees obtained abroad, the record of recognition of the academic degrees and record of the conversion of the respective final classification to the Portuguese classification scale must be presented, or, alternatively, a declaration of honor from the candidate.

This declaration must attest to facts that occurred prior to the application. In the event of a discrepancy between the information contained in the declaration and the documentation submitted for the purposes of contracting the scholarship, only the information contained in the latter will be considered. If it is found that the documents proving the academic degree and diploma, or their recognition under the terms of Decree-Law n. º 66/2018, of August 16, do not correspond to the classifications awarded in the assessment of the academic career and may consequently alter the candidate's ranking, the scholarship will not be contracted;

c) Motivation Letter.

Form of publication/notification of results: The results of the evaluation are published in a single list by final score obtained, posted in a visible and public place in the host unit, as well as by email to all candidates, attaching, for this purpose, the minutes of the jury's deliberations, within a maximum period of 90 working days from the deadline for submission of applications.

Candidates are informed, at a preliminary hearing, in accordance with Articles 121 and 122 of the Administrative Procedure Code, of the likely outcome of the final decision, and may comment within 10 working days of this notification.

The waiver of the hearing for interested parties, if applicable, will be justified in accordance with Article 124 of the CPA.

An appeal may be lodged against the final decision within 15 working days, or an appeal may be lodged with the highest executive body of the funding entity within 30 days, both after the respective notification (Article 12(nº6) of the FCT Research Grant Regulations).

Within 10 working days of notification of the grant award, the applicant must declare their acceptance in writing. In case of non-acceptance, the next highest ranked applicant will be notified immediately.

Constitution of a selection reserve list: The applicants ranked in the next positions on the ordered list will be included in a selection reserve list, which can be used until 31/12/2026.

Fellowship contractualization: The scholarship is awarded through the signing of a contract between the University of Minho and the scholarship recipient, in accordance with point 2.4 of the Rules for the Award and Management of Scholarships https://www.fct.pt/wpcontent/uploads/2022/03/Normas_de_Atribuicao_de_Bolsas_2021.pdf and the draft contract in Annex II of the University of Minho's Scientific Research Scholarship Regulations.

The contract can only be signed after receipt of all the documentation required for the type of scholarship, which must occur within a maximum period of 6 months, including proof of academic degrees or diplomas, as well as enrollment in non-degree study cycles or courses, as applicable.

Once all the documentation has been received, the contracting entity has 60 working days to sign the scholarship contract. Once received by the scholarship holder, the contract must be returned, duly signed, within 15 working days.

Term and cancellation of fellowship contracts: Without prejudice to the other grounds laid down in the University of Minho's Scientific Research Scholarship Regulation and in the Research Fellow Statute, the scholarship will cease on completion of the contracted work plan, as well as on expiry of the period for which it was granted or renewed.

The **final report** must be submitted to the scientific advisor, in accordance with the defined objectives and evaluation criteria, no later than 60 working days after the end of the scholarship and must be drawn up in accordance with Annex I of the Regulations of the University of Minho.

Non-discrimination and equal access policy: Universidade do Minho actively promotes a policy of non-discrimination and equal access, so that no candidate may be privileged, benefited, harmed or deprived of any right or exempt from any duty due, namely, to ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions and trade union membership.
