Title: Research Fellowship; 1 vacancy

### Reference: BI-3/PBA-ALGAS-CBMA/2025(1)

A call for applications is now open for the attribution of 1 grant of research within the scope of the I&D project “PBA: Pact for Blue Bioeconomy”, reference C644915664-00000026, financed by national funds through PRR – Plano de Recuperação e Resiliência e Next Generation EU, under the following conditions:

**Scientific Area:** Biological Sciences

**Recipient category:** Candidates holding a Master degree in Biological Sciences, Molecular Genetics or associated areas, enrolled in non-academic degree courses.

#### Requirement for granting the fellowship:

- The applicants may apply without prior registration in the course for which the fellowship is open. The requirement to enroll in a degree course or non-academic degree course will be verified on the date of contracting the fellowship;
- Only fellowships whose selected applicants present a valid proof of enrollment in a non-academic degree course will be contracted, according to the type of the fellowship, issued by a Higher Education Institution, indicating, respectively, the academic year or its duration (start and term).

**Applicants’ eligibility:** Candidates who meet the conditions set out in Article 9 of the Research Grant Regulations, No. 950/2019, of 16-12-2019, of FCT I.P. are eligible.

Nationals or citizens of other European Union member states, third-country nationals, stateless persons, and citizens with political refugee status are eligible to apply for this competition.

#### Candidate eligibility requirements:

- a) Hold a Master’s degree in Biological Sciences, Molecular Genetics or related fields, with a minimum final average grade of 16/20;
- b) Research experience in the field of molecular evolution and phylogenetics, and in the use of bioinformatics analysis tools, particularly for high-throughput sequencing data;
- c) Knowledge of the Linux operating system and of computer programming languages, including Python.

#### Workplan and objectives to be achieved:

- a) Management, archiving, and analysis of DNA metabarcoding datasets generated within the scope of the project, including pre-processing and processing of high-throughput sequencing data, with the aim of generating taxonomic profiles of the sampled sites;
- b) Calculation of biotic indices derived from the obtained taxonomic profiles and analysis of their spatial and temporal variation and their relationship with environmental variables, as well as subsequent ecological analysis and interpretation;
- c) Contribution to the preparation of reports, scientific publications, and other means of dissemination of the project's results.

**Applicable legislation and regulations:** Research Fellow Statute (EBI), approved by Law n.º. 40/2004 of August 18, in its current wording and FCT Research Fellowship Regulation, approved by Regulation n.º 950/2019, published in the Diário da República, 2nd series, of December 16, 2019, in its current wording, and Scientific Research Fellowship Regulation (RBIC) of the University of Minho, approved by order n.º 4998/2025, published in the Diário da República, 2nd series, n.º 81, of April 28, 2025 Amended and republished through amendment statement no. 634/2025/2, published in the Official Gazette, 2nd series, no. 132, of July 11.

**Host/Contracting institution and scientific supervision:** The workplan will be carried out in the Centre of Molecular and Environmental Biology (CBMA) of the University of Minho, located in the Institute of Science and Innovation for Bio-sustainability (IB-S), Campus de Gualtar, under the scientific supervision of Filipe José Oliveira Costa, Associate Professor, Department of Biology, School of Sciences of the University of Minho, and coordination Maria Cláudia Gonçalves Cunha Pascoal, Full Professor, Department of Biology, School of Sciences of the University of Minho and Director of CBMA.

**Fellowship duration:** The grant will take place for a period of 5 months, with a provisional starting date on February of 2026. The fellowship grant may, eventually, be renewed up to the maximum limit allowed by the project

**Amount of the research grant:** The amount of the grant corresponds to 1309,64€/month, according to the table of values of the Research scholarship of the University of Minho, updated annually, as decided by the Management Board.

Payment is made on the 23rd of each month, through bank transfer to the Bank Identification Number of the fellow identified in the contractualization process.

**Other benefits:** Reimbursement of Voluntary Social Insurance, if the candidate chooses to receive it, corresponding to the 1st level of discounts (for research grants with a total duration 6 months or higher) and personal accident insurance.

**Exclusivity regime:** The grantee will perform the activities under exclusivity, as foreseen in article 5° of the Research Fellow Statutes and applicable regulations.

**Selection panel:**

President: Filipe José Oliveira Costa, Associate Professor, Department of Biology, School of Sciences of the University of Minho;

Effective members:

Pedro Alexandre Dias Soares, Assistant Professor, Department of Biology, School of Sciences of the University of Minho;

Sofia Alexandra Ferreira Duarte, Assistant Researcher, Centre of Molecular and Environmental Biology, School of Sciences of the University of Minho.

Substitute members:

Teresa Sofia Teixeira Rito, Assistant Researcher, Centre of Molecular and Environmental Biology, School of Sciences of the University of Minho

Andreia Ferreira Castro Gomes, Associate Professor, Department of Biology, School of Sciences of the University of Minho.

The first effective member will substitute the President of the selection panel in case of impediment, being nominate the first substitute member in the place of the first effective member.

**Criteria and procedures for applications assessment and selection:** The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 0 to 5 values:

Applicant Merit - AM (100%):

- a) Academic path (considering the classifications of academic degrees), with a weighting of 40%;
- b) Personal curriculum (considering professional and scientific background), with a weighting of 40%;
- c) Motivation letter, with a weighting of 20%.

The final classification of the applicant's merit with the achieved through the following formula:

$$MC=(a*0.4) +(b*0.4) +(c*0.2)$$

**Note:** Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection

panel will assign “0” in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.

**Application deadline and submission:** The call for applications is open for a period of 10 working days from the date of publication on the Euraxess portal.

Applications must be submitted by email to [bolsas@ecum.uminho.pt](mailto:bolsas@ecum.uminho.pt), indicating the reference number of the competition in the subject line: **BI-3/PBA-ALGAS-CBMA/2025(1)**. Only applications submitted within the established deadline and accompanied by the following documents will be accepted:

- a) Candidate's updated curriculum vitae;
- b) Certificates of the academic degrees obtained or, if applicable, the candidate's declaration of honor that he/she has completed the degrees required in the notice by the application deadline.

For degrees obtained abroad, the record of recognition of the academic degrees and record of the conversion of the respective final classification to the Portuguese classification scale must be presented, or, alternatively, a declaration of honor from the candidate.

This declaration must attest to facts that occurred prior to the application. In the event of a discrepancy between the information contained in the declaration and the documentation submitted for the purposes of contracting the scholarship, only the information contained in the latter will be considered. If it is found that the documents proving the academic degree and diploma, or their recognition under the terms of Decree-Law n. ° 66/2018, of August 16, do not correspond to the classifications awarded in the assessment of the academic career and may consequently alter the candidate's ranking, the scholarship will not be contracted;
