

## **ANNOUNCEMENT FOR THE AWARD OF A RESEARCH FELLOWSHIP**

**Title:** Research Fellowship; 1 vacancy

**Reference:** BI-1/NUI-PLASTIC-CBMA/2026

A call for applications is now open for the attribution of 1 research fellowship within the scope of the I&D project “NUI-PLASTIC: Impact of marine plastic debris on the settlement and dispersion of nuisance species in Portuguese coastal ecosystems”, reference COMPETE2030-FEDER-00734300, financed by national funds through Compete 2030/FEDER under the following conditions:

**Scientific Area:** Biological Sciences

**Recipient category:** Candidates holding a Master degree in Biological Sciences or associated areas, enrolled in non-academic degree courses.

**Requirement for granting the fellowship:**

- The applicants may apply without prior registration in the course for which the fellowship is open. The requirement to enrol in a degree course or non-academic degree course will be verified on the date of contracting the fellowship;
- Only fellowships whose selected applicants present a valid proof of enrolment in a degree course or non-academic degree course will be contracted, according to the type of the fellowship, issued by a Higher Education Institution, indicating, respectively, the academic year or its duration (year and term).

**Applicants' eligibility:** Candidates who meet the conditions set out in Article 9 of the Research Grant Regulations, No. 950/2019, of 16-12-2019, of FCT I.P. are eligible.

Nationals or citizens of other European Union member states, third-country nationals, stateless persons, and citizens with political refugee status are eligible to apply for this competition.

**Candidate eligibility requirements:**

- a) Hold a Master's degree in Biological Sciences, Ecology, Molecular Genetics, or related fields, with a minimum final average grade of 16 (out of 20);
- b) Preference will be given to candidates with experience in laboratory methodologies associated with environmental DNA analysis, including DNA extraction, preparation of reference libraries, PCR amplification, DNA metabarcoding data analysis, and taxonomic identification of organisms using bioinformatics tools.

**Workplan and objectives to be achieved:**

- a) Planning and conducting sampling campaigns of plastic litter in recreational marinas, including the collection of biofilms and fouling organisms associated with plastic debris;
- b) Laboratory processing of the collected samples, including DNA extraction from biofilms and/or associated organisms, PCR amplification of appropriate genetic markers, and preparation of samples for high-throughput sequencing;
- c) Management, pre-processing and analysis of high-throughput sequencing data obtained through DNA metabarcoding, including the generation of taxonomic profiles of communities associated with plastic litter;
- d) Ecological analysis and interpretation of the obtained taxonomic profiles, aiming at the identification of fouling organisms and potential non-indigenous species associated with plastic litter;
- e) Support for laboratory management within the project, including identifying needs for consumables and reagents, supporting procurement processes, and organizing materials and equipment required for laboratory activities;
- f) Contribution to the preparation of technical reports, scientific publications, and other activities for the dissemination of the project results.

**Applicable legislation and regulations:** Research Fellow Statute (EBI), approved by Law nº. 40/2004 of August 18, in its current wording and FCT Research Fellowship Regulation, approved by Regulation nº 950/2019, published in the Diário da República, 2nd series, of December 16, 2019, in its current wording, and Scientific Research Fellowship Regulation (RBIC) of the University of Minho, approved by order nº 4998/2025, published in the Diário da República, 2nd series, nº 81, of April 28, 2025 Amended and republished through amendment statement no. 634/2025/2, published in the Official Gazette, 2nd series, no. 132, of July 11.

**Host/Contracting institution and scientific supervision:** The workplan will be carried out in the Centre of Molecular and Environmental Biology (CBMA) of the University of Minho, located in the Institute of Science and Innovation for Bio-sustainability (IB-S), Campus de Gualtar, under the scientific supervision of Sofia Alexandra Ferreira Duarte, Assistant Researcher at the Centre of Molecular and Environmental Biology, School of Sciences of the University of Minho, and coordination Maria Cláudia Gonçalves Cunha Pascoal, Full Professor, Department of Biology, School of Sciences of the University of Minho and Director of CBMA.

**Fellowship duration:** The grant will take place for a period of 3 months, with a provisional starting date on May of 2026. The fellowship grant may, eventually, be renewed up to the maximum limit allowed by the project (1 year).

**Amount of the research grant:** The amount of the grant corresponds to 1309,64 €/month, according to the table of values of the Research scholarship of the University of Minho, updated annually, as decided by the Management Board.

Payment is made on the 23rd of each month, through bank transfer to the Bank Identification Number of the fellow identified in the contractualization process.

**Other components of the research grant:** Define other components of the scholarships, as provided for in Article 18º of the FCT Research Scholarship Regulations (RBI).

**Other benefits:** Reimbursement of Voluntary Social Insurance, if the candidate chooses to receive it, corresponding to the 1st level of discounts (for research grants with a total duration 6 months or higher) and personal accident insurance.

**Exclusivity regime:** The grantee will perform the activities under exclusivity, as foreseen in article 5º of the Research Fellow Statutes and applicable regulations.

**Selection panel:** (identify the selection panel President and the effective and substitute members)

President: Sofia Alexandra Ferreira Duarte, Assistant Researcher, Centre of Molecular and Environmental Biology, School of Sciences of the University of Minho.

Effective members:

Filipe José Oliveira Costa, Associate Professor, Department of Biology, School of Sciences of the University of Minho;

Teresa Sofia Teixeira Rito, Assistant Researcher, Centre of Molecular and Environmental Biology, School of Sciences of the University of Minho;

Substitute members:

Pedro Alexandre Dias Soares, Assistant Professor, Department of Biology, School of Sciences of the University of Minho;

Marcos Rubal García, Assistant Researcher, Centre of Molecular and Environmental Biology, School of Sciences of the University of Minho.

The first effective member will substitute the President of the selection panel in case of impediment, being nominated the first substitute member in the place of the first effective member.

**Criteria and procedures for applications assessment and selection:** The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 0 to 5 values:

Applicant Merit - AM (100%):

- a) Academic path (considering the classifications of academic degrees), with a weighting of 40%;
- b) Personal curriculum (considering professional and scientific background), with a weighting of 40%;
- c) Motivation letter, with a weighting of 20%.

The final classification of the applicant's merit with the achieved through the following formula:

$$MC=(a*0.4) +(b*0.4) +(c*0.2)$$

**Note:** Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection panel will assign "0" in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.

**Application deadline and submission:** The call for applications is open for a period of 10 working days from the date of publication on the Euraxess portal.

Applications must be submitted by email to [bolsas@ecum.uminho.pt](mailto:bolsas@ecum.uminho.pt), indicating the reference number of the competition in the subject line: **BI1/NUI-PLASTIC-CBMA/2026**. Only applications submitted within the established deadline and accompanied by the following documents will be accepted:

- a) Candidate's updated curriculum vitae;
- b) Certificates of the academic degrees obtained or, if applicable, the candidate's declaration of honor that he/she has completed the degrees required in the notice by the application deadline (not applicable to research initiation grants).

For degrees obtained abroad, the record of recognition of the academic degrees and record of the conversion of the respective final classification to the Portuguese classification scale must be presented, or, alternatively, a declaration of honor from the candidate.

This declaration must attest to facts that occurred prior to the application. In the event of a discrepancy between the information contained in the declaration and the documentation submitted for the purposes of contracting the scholarship, only the information contained in the latter will be considered. If it is found that the documents proving the academic degree and diploma, or their recognition under the terms of Decree-Law n. º 66/2018, of August 16,

do not correspond to the classifications awarded in the assessment of the academic career and may consequently alter the candidate's ranking, the scholarship will not be contracted;

- d) Motivation letter;
- e) Two reference letters.

**Form of publication/notification of results:** The results of the evaluation are published in a single list, posted in a visible and public place in the host unit, as well as by email to all candidates, attaching, for this purpose, the minutes of the jury's deliberations, within a maximum period of 90 working days from the deadline for submission of applications.

Candidates are informed, at a preliminary hearing, in accordance with Articles 121 and 122 of the Administrative Procedure Code, of the likely outcome of the final decision, and may comment within 10 working days of this notification.

An appeal may be lodged against the final decision within 15 working days, or an appeal may be lodged with the highest executive body of the funding entity within 30 days, both after the respective notification (Article 12(nº6) of the FCT Research Grant Regulations).

Within 10 working days of notification of the grant award, the applicant must declare their acceptance in writing. In case of non-acceptance, the next highest ranked applicant will be notified immediately.

**Fellowship contractualization:** The scholarship is awarded through the signing of a contract between the University of Minho and the scholarship recipient, in accordance with point 2.4 of the Rules for the Award and Management of Scholarships

[https://www.fct.pt/wpcontent/uploads/2022/03/Normas\\_de\\_Atribuicao\\_de\\_Bolsas\\_2021.pdf](https://www.fct.pt/wpcontent/uploads/2022/03/Normas_de_Atribuicao_de_Bolsas_2021.pdf) and the draft contract in Annex II of the University of Minho's Scientific Research Scholarship Regulations.

The contract can only be signed after receipt of all the documentation required for the type of scholarship, which must occur within a maximum period of 6 months, including proof of academic degrees or diplomas, as well as enrollment in non-degree study cycles or courses, as applicable.

Once all the documentation has been received, the contracting entity has 60 working days to sign the scholarship contract. Once received by the scholarship holder, the contract must be returned, duly signed, within 15 working days.

**Term and cancellation of fellowship contracts:** Without prejudice to the other grounds laid down in the University of Minho's Scientific Research Scholarship Regulation and in the Research Fellow Statute, the scholarship will cease on completion of the contracted work plan, as well as on expiry of the period for which it was granted or renewed.

The **final report** must be submitted to the scientific advisor, in accordance with the defined objectives and evaluation criteria, no later than 60 working days after the end of the scholarship and must be drawn up in accordance with Annex I of the Regulations of the University of Minho.

**Non-discrimination and equal access policy:** Universidade do Minho actively promotes a policy of non-discrimination and equal access, so that no candidate may be privileged, benefited, harmed or deprived of any right or exempt from any duty due, namely, to ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions and trade union membership.
